The Akron Global Business Accelerator Named Best Business Incubator in Ohio

Akron, Ohio (October 11, 2012) - The Business Courier, a weekly business publication serving Greater Cincinnati, recently named the Akron Global Business Accelerator the Number One Business Incubator in Ohio. Eleven Ohio incubators were ranked in eight different categories, which included client revenue, outside capital raised, number of tenants, aggregate client payroll, total jobs in the incubator, jobs created, average salaries, and average state funding spent per job.

“This affirms the approach we embarked on many years ago,” said Mayor Don Plusquellic. “By staffing the Accelerator with professionals that have deep entrepreneurial experience and expertise to help its tenant businesses succeed, we can provide a wide variety of

technical, administrative, marketing and professional services that a small business may not be able to secure or afford.”
